PRODUCT DESCRIPTION

With its lightweight aluminum frame, modular construction, the **SAPslim Cubicle System** is our latest, entry-level cubicle/divider product line. This cubicle divider panel system was designed with affordability and practicality in mind and requires minimal assembly, making it ideal for nearly any size business.

Pictured here is a best-selling 4-person cubicle divider workstation. Each quadrant is made up of a mixture of corrugated frosted polycarbonate and Sea Salt laminated panels separating the four work surfaces (pictured in White laminate). This is a simple and inexpensive set-up with gives plenty of privacy to each of the occupants, all while providing a safe level of physical separation between

employees.

Nearly any part of the configuration you see pictured here can be added to, modified, or re-imagined. The frosted polycarbonate and laminate panels can be exchanged with multi-colored choices of colored fabrics. Just let us know what you're looking for and we'll put it together for you.
