PRODUCT DESCRIPTION

Why Buy Our Laminate Office Divider with Acrylic Desk Divider?

Looking to add a laminate office divider with acrylic desk partitions to your business or workplace? The [Sapphire Cubicle System](#) makes it possible to create nearly any shaped room dividers you can

imagine. This modular, commercial-grade cubicle system is both versatile and durable. Its lightweight aluminum frame and demountable construction makes it the perfect choice for any office or work environment. Because of its scalability and design, any laminate office divider with acrylic desk partitions can be added to if needed. Also, the **Sapphire Cubicle System** features a variety of choices for the panels (multi-colored fabrics, patterned laminates, and tempered glass) and offers panels reaching 39", 52", and 65" in height. And don't forget, this cubicle system also offers electrical cord/data networking cable conduits along the base of each panel to hide cable clutter.

What Comes With This Product?

The laminate office divider with acrylic desk partitions pictured on this page consists of a [Sapphire Cubicle System](#) divider panel with laminate panels and an adjoining acrylic desk divider. You can select other colors for the panels, change the overall dimensions of the workspace sizes, or adjust the height of the panel divider walls. It's completely freestanding, so no need to bolt it to the wall, floor, or ceiling. Use it to partition off areas such as examination rooms, classrooms, waiting areas, or wherever you need to separate space. Add a desk from our [Indigo Desk Series](#) product line to complete the workstation.
