PRODUCT DESCRIPTION

The **SAPslim Cubicle System** is our newest entry-level cubicle/divider product line. This versatile cubicle divider panel system was designed with affordability and practicality in mind. Its lightweight and modular construction makes it easy to quickly assemble in any work environment.

Already have desks but need to put up some partitions to keep employees safe? Try this configuration of our **SAPslim Cubicle System**. Up to four desks can be placed within the 65" tall divider walls. The panels pictured are made with frosted polycarbonate and Sea Salt laminate. They are both non-porous surfaces (which are easy to clean and disinfect) and create natural barriers to airborne particulates. Keep your staff safe and productive with our latest product line.

And don't forget, the panels can be the pictured laminate and frosted polycarbonate, or you can
