

PORTABLE HEAVY DUTY COMMERCIAL ROOM DIVIDER - CUSTOMIZABLE

Screenflex Heavy Duty Room Dividers appear similar to the standard room divider product line. However, for industrial environments, the heavy duty divider is the best option. This commercial room divider can withstand the most challenging conditions found in most commercial facilities. That is why we recommend using heavy duty accordion room dividers in high-traffic areas like airports, convention centers, hotels or sporting venues.

- Wide caster legs for superior panel support
- Extra-strong full-length panel hinges
- Steel reinforcing gusset plates
- Oversized dual-ball-bearing casters
