PRODUCT DESCRIPTION

Ergonomic office chairs are an absolute must in every office. A single, 40-hour work week sitting in a chair that cannot adjust to your height, weight, and posture can be uncomfortable and even painful. It's important the office chairs you sit in provide every possible means of comfort and stress-free posture.

Enter the Ame office chair from **SKUTCHI Designs**. Designed with both durability and customization in mind. Made for virtually any body type or posture you can throw at it. The Ame is made to accommodate and provide comfort for those long days in front of the monitor.
