PRODUCT DESCRIPTION

The [Harmony Conference Table Series](#) offers this 10 foot hexagon conference table. It measures approximately 10' in length, 4' in width, and the thickness of the tabletop is 1". It comfortably seats up to ten people depending upon the chairs you pick (chairs pictured not included).

Our **Harmony Series** features modern conference tables designed to look sleek and stylish for any board room or meeting room. Because our conference tables are commercial-grade and constructed

from eco-friendly materials, they make them one of our top-selling products. You can choose from various options such as shape, size, bases, laminates, and data/electric modules.

Pictured on this page is a 10 foot hexagon conference table. It features an irregular hexagon shaped tabletop, square metal bases, and your choice of laminate. You can add a USB/Electrical module to any table over 4' in overall length. The price on the page includes shipping. Also, you can call with any questions prior to ordering online.
