## PRODUCT DESCRIPTION

The [Harmony Conference Table Series](#) offers this 10-person boat conference table. It measures approximately 10' in length, 4' in width, and the thickness of the tabletop is 1". Additionally, it seats up

to ten people, comfortably (chairs pictured on this page are not included).

Our **Harmony Series** features modern conference tables designed to look sleek and stylish for any boardroom or meeting room. Because our conference tables are commercial-grade and constructed from eco-friendly materials, they make them one of our top-selling products. You can choose from various options such as shape, size, bases, laminates, and data/electric modules.

### **Modular Design & Durable Construction**

**Harmony Conference Series** gives classic shapes a modern twist, combining creativity and class with durable construction which fits virtually any modern office environment. Because it's designed with scalability in mind, its modular construction allows you to easily enhance or reduce the size of the table.

Pictured on this page is a 10-person boat conference table. It features a double square base, boat-shaped tabletop, and your choice of laminate. It also includes a Rotating Electrical Module with 3 power outlets, 2 Cat 6, and 2 USB ports. The price on the page includes shipping. Prior to ordering online, be sure to call with any questions. We'd be happy to assist you.
