PRODUCT DESCRIPTION

The [Harmony Conference Table Series](#) offers this 10-person racetrack conference table. It measures approximately 10' in length, 4' in width, and the thickness of the tabletop is 1". It can comfortably seat up to ten people depending upon the chairs you pick (chairs pictured in the rendering on this page are

not included).

Our **Harmony Series** features modern conference tables designed to look sleek and stylish for any board room or meeting room. Because our conference tables are commercial-grade and constructed from eco-friendly materials, they make them one of our top-selling products. You can choose from various options such as shape, size, bases, laminates, and data/electric modules.

Modular Design & Durable Construction

Harmony Conference Series gives classic shapes a modern twist, combining creativity and class with durable construction that will fit virtually any modern office environment. Modular construction allows to easily adjust the size of the table if the needs of your space change.

Pictured on this page is a 10-person racetrack conference table quickship typical. It features a racetrack shaped tabletop, and your choice of laminate. You can add a USB/Electrical module to any table over 4' in overall length. The price on the page includes shipping. Also, you can call with any questions prior to ordering online. We'd be happy to assist you.
