PRODUCT DESCRIPTION

The [Harmony Conference Table Series](#) offers this 6-person boat-shaped conference table. It measures approximately 6' in length, 4' in width, and the thickness of the tabletop is 1". It comfortably seats up to six people depending upon the chairs you pick (chairs pictured not included).

Our **Harmony Series** features modern conference tables designed to look sleek and stylish for any board room or meeting room. Because our conference tables are commercial-grade and constructed from eco-friendly materials, they make them one of our top-selling products. You can choose from

various options such as shape, size, bases, laminates, and data/electric modules.

Pictured on this page is a 6-person boat-shaped conference table. It features a boat-shaped tabletop, metal bases, and your choice of laminate. You can add a USB/Electrical module to any table over 4' in overall length. Additionally, the price on the page includes shipping. Also, you can call with any questions prior to ordering online.
