PRODUCT DESCRIPTION

The **Harmony Conference Table Series** offers this 8-person hexagon conference table. It measures approximately 8' in length, 4' in width, and the thickness of the tabletop is 1". It comfortably seats up to eight people depending upon the chairs you pick (chairs pictured not included).

Our **Harmony Series** features modern conference tables designed to look sleek and stylish for any boardroom or meeting room. Because our conference tables are commercial-grade and constructed from

eco-friendly materials, they make them one of our top-selling products. You can choose from various options such as shape, size, bases, laminates, and data/electric modules.

Pictured on this page is a 8-person hexagon conference table. It features a hexagon tabletop, metal bases, and your choice of laminate. You can add a USB/Electrical module to any table over 4' in overall length. Additionally, it ships in 2-3 weeks and the price on the page includes shipping. Also, you can call with any questions prior to ordering online.
