PRODUCT DESCRIPTION

Bistro tables are normally used for dining in breakrooms, dining rooms, or cafés. The tables stand slightly higher than a traditional table (usually around 35" to 45"). They can be used with tall chairs, stools, or as standing tables.

The bistro tables featured in our **Harmony Office Table Series** come in a variety of tabletop heights and sizes. Choose your favorite from 11 different, unique shapes and 6 different bases in either matte black or brushed metal.

Our bistro tables feature 8 different laminate surfaces as well. From solid lights and darks, to simulated wood grains to match any home or office environment.
