PRODUCT DESCRIPTION

The **eSCAPE Privacy Products** line features these demountable acrylic cubicle extenders cut to four (4) different heights and eight (8) different widths.

Cubicle extender panels are a cost-effective solution to add height and privacy to your existing cubicle walls. They merge seamlessly with your current cubicle system and are engineered to be light weight, durable and easy to install. Available in clear or frosted acrylic.

They are secured to the top of your cubicle panels with powder-coated steel clamps (included) which are quick and easy to install.

Heights can be 12", 16", or 18". Also, the widths can be cut to 23", 29", 35", 41", 47", 59", 65", or 71".

They can be made with either clear or frosted acrylic (depending on the amount of privacy desired).

Also, the edging can be your choice of rounded edge or square (90 degree) edge.

Don't forget, all of our acrylic privacy screens are proudly made in the USA. Custom sizes are available (call for assistance).
